

THANK YOU!

They work so children of Northside can play

Let's Play, Good Sports fund playground construction

Photos by Patrick Reddy/The Enquirer

Volunteers helping to build a new playground at Chase Elementary School on Chase Avenue in Northside raise a "drop zone pole" after assembling it for installation.

Arturo Rivera, a volunteer from Dr. Pepper Snapple Group, shovels mulch onto a tarp.

Volunteer Nathan Gerke installs a bench around a tree in the new playground.

Volunteer Jaclyn Hyde lifts a 60-pound bag of concrete to help with the playground.

Left to right: Volunteers Rebecca Salyers, Mike Haller and Kathryn Pflanz carry a tarp full of mulch for the base of a new playground being constructed on Chase Avenue in Northside.
